## EDITORIAL CALENDAR

## THE DAILY JOURNAL

The *Los Angeles Daily Journal* and the *San Francisco Daily Journal* are California's leading legal newspapers. They feature extensive coverage of litigation, transactions, regulation, and breaking news and trends in the legal business. Both publications are noted for their comprehensive profiles of judges, neutrals and corporate counsel; extensive coverage of small and mid-size firms; and lawyer-written columns on dozens of practice areas, including energy, the environment, intellectual property, and labor and employment law.

The *Daily Journals* publish more than a dozen authoritative special issues, including their annual listings of California's most influential lawyers, its top women litigators and top law firms.
